

Arrow Corp at Yawgoog

Arrow Corp is a one week experience at Camp Yawgoog where the principles developed during the summer of 2008 at national Arrow Corp 5 are being applied in our own camp settings. The servant leadership and conservation projects developed/carried out are used as a model for future projects at other Narragansett Council properties.

The project will run from Monday to Friday; you will work from 8 AM to noon, then have the afternoon free for your personal goals (advancement, recreation, etc.) This is a chance for you to demonstrate your cheerful service in meaningful work projects which will leave your legacy on Camp Yawgoog.

Don't miss this opportunity of placing your mark on camp and being a part of something that will stand the test of time for generations upon generations to come.

The fee for the week is a discounted price of \$100 per person. There is a 24 Arrowman limit.

It needs to be stressed that this is your second week of long term camping for this summer and is not intended to replace your week-long camp experience with your troop.
