

**EAGLE SCOUT PROCESS INSTRUCTIONS**

Congratulation on earning your Life Scout rank! The following information will help you complete the steps necessary to earn the rank of Eagle Scout:

 **Download all files and advancement record**

- From “Eagle Scout Application” on the council website’s “Trail to Eagle” page: [www.ncbsa.org/trailtoeagle](http://www.ncbsa.org/trailtoeagle). Some of these files you will fill out and others are for your information. You will need an up-to-date PDF reader to view and complete some of these files. (Adobe Reader can be downloaded for free.)
- Use the link on our website, “Person Profile Requests,” to request a copy of your advancement record from the council and check for accuracy.

**Eagle Scout Service Project Workbook Proposal (Form 512-927 - current printing)**

- Your service project must be approved by your Eagle Scout Advancement Committee Member before you begin any part of the project.
- Please read through the entire workbook before you begin. This will help you complete your project successfully.
- Begin filling out your workbook. The workbook you downloaded can be saved on your computer and reopened at any time.
- Complete the contact information and proposal portion of the workbook. All sections should be filled in with information or “N/A” if it does not apply.
- Obtain signatures from the project beneficiary, your unit leader and committee before presenting the proposal to the Eagle Scout Advancement Committee Member for their approval and signature. Eagle Scout Advancement Committee Member information is available under the Advancement tab on the Narragansett website, “Eagle Scout Advancement Committee Contact Information” or by calling your Council Service Center.
- If the Eagle Scout Advancement Committee Member does not approve your project proposal, they will provide you with information and options on how to continue.

 **Eagle Scout Service Project Workbook Final Plan**
