## Helpful Hints for Packs

Parking is LIMITED; The later you arrive, the further away you will need to park.

**NO Pets are allowed at Cub World.**

Check-in is from 7:00 – 8:30 am -- please be on time!

**FIRST** – Send 1 adult to the check-in window at the admin building, please adhere to a 6 foot spacing guidelines. Here you will be assigned a wagon number and issued the Scout gift bags, one for each paid Scout. The patches will be mailed with your awards. You will need to know the ranks of the Scouts on the wagon and how many paid adults on the wagon.

**NEXT** - Go to the wagon inspection station that will be near the check-in area. Look for a large sign. Your wagon will be inspected to make sure you have all the items on your Wagon Checklist. You will be given a unique inspection item. Any type of wagon is allowed.

Please be prepared for the weather (with proper attire)! **Open toe shoes are not to be worn by Scouts or adults.** There is a preferred number of 6 Scouts per Wagon. More than 6 Scouts may interfere with the shooting sports activities because of COVID guidelines.

Each wagon will be given a set time to be at the designated range of both Archery and BB for their turn. Remember, if you have more than 6 Scouts on your wagon, it may interfere with the shooting sports activities. Ranges are also required to have proper spacing to follow guidelines.
