Individual Registration Renewal

Parents and leaders can renew their registration online two months before the membership expires.

My.Scouting displays a reminder notice in the upper right corner upon login when your registration is due to renew within two months.

A membership renewal notice is also sent via email with a link that can be used to renew the registration. The notice will be sent 60, 30, 15, 7 and 1 day(s) out, as well as 1 week after expiration until the registration is renewed.

In my.Scouting, click on the red notification icon to open the renewal page.

Positions eligible to renew will be listed. If more than one position, make sure the appropriate one is selected as primary. That is the one that will show you as paid. This is also your opportunity to change which is marked as primary if needed.

Review to ensure everything looks correct, then click on the "Go To Payment" button.
