

Personal Equipment List

During Wood Badge, you and your course mates will spend much of your time outdoors. Some of the course will be presented outside and some will be inside. You will also be moving throughout camp during each day. Comfortable shoes, layers, extra socks, and foul weather gear are a must. Please be prepared for our notoriously unpredictable New England spring weather and pack accordingly. The course will proceed rain or shine!

Sleeping accommodations for weekend one will be indoors while you will be camping outside with your patrol for weekend two (outdoor experience). During the second weekend, you and your patrol will prepare all meals for yourselves at your campsite.
