Parents Guide

Welcome to Cub Scouts!

For Boys in  
Grades 1-5

### The Values of Scouting

*The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.*

Scouting gives Parents an opportunity to provide their children with a safe, structured, nurturing environment which fosters the initiative to learn and discover while instilling strong values and morals.

Study results indicate that Scouts with at least three years' tenure are more likely than boys who have never been Scouts to:

- Assume leadership roles in clubs or school organizations
- Put the needs of others before their own
- Have higher self-confidence
- Be active in a variety of after-school activities
- Resist peer pressure to take part in delinquent or dishonest activities.

Scouting provides youth with skills that help them cope with any situation. Youth members say that Scouting taught them to always give their best effort, always be honest, treat others with respect, set goals, stay physically fit and take care of the environment.

## **THE TYPICAL DEN & PACK MEETING**

### **Den Meetings**

Dens meet weekly with the boys meeting at a designated location. Den meetings usually begin with the reciting of the Cub Scout Promise and the Pledge of Allegiance. A den conducts activities that are age appropriate and help the boys work toward advancement. Den meeting activities include craft projects, games, nature/outdoor projects, athletic activities, field trips and community service projects.

### **Pack Meetings**

Pack Meetings are held once a month at a central location. All Cub Scout Dens, leaders and families are invited to attend. The Pack Meeting is a time of fun, ceremony and recognition. At this meeting, awards and advancements are distributed to the Cub Scouts. It is a chance for the boys to show other members of the Pack what they have been doing. At times, Pack Meetings can also be trips or excursions like visiting a fire station, zoo, museum, etc.
